

SEARCH NOTES.

The screenshot shows the AOL 4.0 desktop environment. On the left is the 'Active' list with the following items:

- L1: (235069) "network"
- L2: (76) 1 and (billing adj module\$1)
- L3: (56) 2 and (server\$1)
- L4: (49) 3 and (account\$4)
- L5: (19) 4 and (wireless)
- L6: (16) 5 and (storage)

Below the 'Active' list are folders for 'Failed', 'Saved', 'Favorites', 'Tagged (0)', 'UDC', 'Queue', and 'Trash'.

The main search results pane on the right has a search bar containing '5 and (storage)'. Below the search bar, there is a list of results. The first result is '5 and (storage)'. The search bar also shows 'N/A' and '1/1/1/1'.

The bottom of the screen shows the Windows taskbar with the following open applications: Start, Run, Welcome to Gopher..., Yahoo! Messenger, Microsoft Office Word, Assistant - Netscape, AOL Quick Buddy..., AOL COM IADL Mail, Inbox - Microsoft Outlook, EAST - JUnitMail..., and a system tray with various icons and the time 12:25 PM.
